# Overview

- WHAT** *The Fillmore Street Jazz Festival* blends art and soul in one of the country's most unique neighborhoods. The Festival is the largest free Jazz festival on the West Coast, drawing over 100,000 visitors over the Independence Day weekend. From sunup to sundown, visitors can groove to the sounds of live music from multiple stages, browse the offerings of 12 blocks of fine art and crafts and enjoy gourmet food and beverages. Asian to Cajun, paintings to pottery, old favorites and new directions, the Fillmore Jazz Festival is not to be missed.
- WHERE** The Festival is held on Fillmore Street between Jackson & Eddy Streets in San Francisco. Fillmore Street once again hops with an acknowledging nod to the spirit that once filled the street. Boasting an eclectic mix of over 200 businesses: music clubs, shops and restaurants, it continues to echo the music of its birth, transcending boundaries, embracing diversity, and celebrating personal style.
- WHEN** **Saturday July 2 & Sunday July 3, 2016 ~ 10 am to 6 pm**
- BY WHO** *The Fillmore Street Jazz Festival* is proudly presented by the Fillmore Merchants Association and the Fillmore Jazz Preservation District Merchants Associations. Both Associations are non-profit organizations formed by local property owners and merchants of the area in an effort to improve the business environment on Fillmore Street in San Francisco.

The event is produced by Steven Restivo Event Services, INC. (SRES). The company is a long time provider of event production services to chambers of commerce, merchant associations, various city agencies, corporations, non-profit groups, and other event industry professionals. ## BAY AREA DEMO-GRAPHICS

The Festival is attended by people from all over the nation and the nine-county San Francisco Bay Area. The Bay Area represents one of the world's great regional economies. It successfully competes in the global market as a knowledge-based economy powered by its wealth of research, technology, and innovation. If the Bay Area were a country it would rank about 20th in the world

The Bay Area's population consists of 6.5 million people within three metropolitan centers: San Francisco, San Jose and Oakland. The gross regional product exceeds \$200 billion and ranks fifth in the U.S. The region is top ranked nationally for its proportion of scientists, lawyers, computer programmers, musicians, engineers, business consultants, authors, physicians and artists.

San Francisco's Fillmore Street is a business district with typical historic San Francisco architecture where you will find examples of both old and modern structures sharing the avenues. The main thoroughfare is a retail destination for visitors and residents alike with the Victorians lining the street sharing it with buildings built in the 1960's.
